Introduction

Islam

“The source of the word, (Allah), who is the Islamic god, goes back to pre-Muslim times. Islam calls Allah god, which is not the God of the bible. Allah has about 1.6 billion followers worldwide. In 2010, Muslims made up 23.2% of the global population.

According to the Encyclopedia of Religion, Allah corresponded to the Babylonian god Baal, and Arabs knew of him long before Mohammed worshipped him as the supreme god. Before Islam, the Arabs recognized many gods and goddesses; each tribe had their own deity. There were also nature deities.

Allah was the god of the local Quarish tribe, which was Mohammed's tribe before he invented Islam to lead his people out of their polytheism. Allah was then known as the Moon god, who had three daughters who were viewed as intercessors for the people.

Bibleprophecyandtruth.com has an interesting article on Islam and the Bible. Here are excerpts for your consideration. Realize that the study is not my work but it does raise some really good points. I'll leave any conclusions up to you.

Muslims In The Christian Church

Christianity in today's world is full of churches proclaiming that all religions worship the same God and therefore we should embrace them. The Catholic church promotes that idea with Interfaith doctrine and goes as far as to state in the Catechism that the Muslims worship the same God as Christianity and therefore will enjoy the same salvation equally. This means that they think it doesn't matter if you're a Christian or a Muslim and that you can find salvation through either religion.

The Muslims, on the other hand, have no such belief. In fact, Muslim doctrine teaches that Jesus is just a prophet, not the manifestation of God in the flesh, and that He will return at the end time to teach Christians the Muslim way and convert them. The prophecies of the Bible and the Muslim prophecies concerning the Antichrist (the Muslim Mahdi) and the false prophet (the Muslim Jesus) mirror each other but the good guys of Islam are the bad guys of the Bible. This is a very good indication that the Antichrist will rise as the Mahdi of Islam and will unite the Christian world with him via the false prophet and create a global Islamic religion. The Bible tells us that this end time religion will be forced upon people or they will be killed if they refuse. The Muslim prophecies tell us that the Muslims will kill any who won't convert to Islam.

The Bible tells us that the world will be fooled by the false prophet performing miracles in the sight of men, like pulling fire from the sky. The false prophet will seem to everyone to have Godly power and will fool everyone into worshipping the Antichrist.

Islam Does Not Acknowledge Christ As The Son of God

Muslims say you don't need to believe in Jesus Christ to be saved! Muslims will admit that Jesus Christ was a true prophet, but deny that He was the Messiah (although some Western Muslims will say He was anointed), they will deny that He was God manifested in the flesh as of the Son of God (**John 1:14**), and they will deny that He died on the cross and rose again.

Does that make sense? Absolutely Not! That belief cannot be truth because

Here's what I say... Jesus Christ Himself said He was the Messiah, and said He was the Son of God! The truth is found in **John 3:16** where Jesus' conversation with Nicodemus, a religious leader of the Jews was recorded.

Jesus said, *“ For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.”*

He also said to the blind man after he healed him, (later that day), **John 9:35-37...** *Jesus heard that they had cast him out; and when he had found him, he said unto him, Dost thou believe on the Son of God? He answered and said, Who is he, Lord, that I might believe on him? And Jesus said unto him, Thou hast both seen him, and it is he that talketh with thee.*

So Jesus identified himself as the Son of God. Jesus was not just a true prophet. He was and still is the only begotten Son of the Father, God.

Acts 4:12... *Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved.* There is no salvation in any other name but Jesus! Not Mohammed, not Buddha; no other name...***Back To The Article.***

Islam goes even further than simple disbelief... and says that the name of Jesus is "the most awful name". Hadith Sahih Bukhari, Volume 8, Book 73, Number 224: Narrated by Abu Huraira. Allah's Apostle said, "The most awful name in Allah's sight on the Day of Resurrection, will be (that of) a man calling himself Malik Al-Amlak (the king of kings)."

Now, according to the Word of God: **1 Tim 6:14, Rev 17:12 and Rev 19:11**, Jesus Christ is the King of Kings and Lord of Lords.

This Means That Muslims Are Instructed To Hate The Jesus of The Bible

The word Islam means "submission". Not only in the sense of submission to Allah, but in the sense of making everyone submit to the rule of Islam. Islam is about subduing the world and making it submit. The Muslims believe that Mohammed is the exemplar of right conduct. They aspire to be like him in the same manner that Christians aspire to be like Jesus. Mohammed said to spread, through warfare, the rules of Islam.

Political Rule or Personal Relationship

Mohammed became increasingly violent during his career and spent 10 years in Medina creating an army to overthrow his homeland, Mecca, after he was ran off by the pagans in 622 AD. He killed thousands of people and subdued Arabia through war. Muslims are encouraged to commit acts of heroism in combat. They are promised that those who kill and are killed will be rewarded with paradise. This is the basis for suicide bombers. They believe that since they are killing while they are killed that the sin of suicide is covered by the martyrdom of their action and, as such, they will be rewarded in heaven. Islam is a religion of political rule, a system of government. It is not about a personal relationship with Allah, it is about bringing the world under submission to its rule.

The Quran

The Quran (Koran) was written over time during the life of Mohammed (conveyed or recited by him). He started as a peaceful man, but as time went on he changed many of his values. As he became increasingly violent, his writings matched his attitude. The correct interpretation of the Quran is to take any conflict in doctrine, of which there is a whole lot, and replace an older verse with the latest one, supplanting it's meaning with the more recent version in a process called abrogation.

The problem is that the Quran is compiled from the longest Sura to the shortest, so it's nearly impossible to know which conflicting verse to believe or obey. The Muslims have a whole committee of scholars to interpret the Quran and decide which verses were written first and the succession of them to the last.

A Religion of Peace?

If you think Islam is a religion of peace, as they claim, just look at all the wars they are involved in today, in Europe, China, Africa, etc., and the mindset of Muslims as a whole as they chant "Death to Israel, Death to America", while they are working toward their goal of subduing the world.

Islam is a religion of peace only when they have conquered the world and subjected it to the rule of Islam. Also, if the son of the ruler of Hamas says that Islam has no moderates, then I believe him.

Now, on a side note, Mosab Hassan Yousef (the son of the ruler of Hamas) made the point that there is no moderate Islam in those that truly adhere to their faith, but this does not include the phony Muslims

Three Types of Moderate Muslims

1. By phony, I mean those who do not truly believe but identify as Muslim for cultural reasons, maybe out of fear for their life, because their family is Muslim. Does this mean they are "moderate"? No, they will do whatever it takes to continue making their relatives believe that they believe, mostly out of self-preservation. These are they that will encourage their devout brother to commit the atrocities that they themselves do not want to do. Don't expect these so called "moderates" to stop their devout brother, or do anything to save you.
2. The second type are those who do not truly understand their own religion. I have seen and heard many testimonies of ex-Muslims who did not understand their own religion. And, I recently saw a video of a man talking about how he, as a Muslim, thought his religion was a peaceful religion, but as he grew to understand Islam and read the Quran, he came to understand that it is not a peaceful religion and that he was actually instructed to kill for Allah. This is a great example of how many Muslims, like Christians who never read their Bible, do not understand their own religion, and how the Imams (preachers of Islam) use the practice of Taqiyya (lying to assist the ascendancy of Islam) on their own people and lure them in with promises of peace and love while they hope to bring them in deeper and turn them into devout Muslims who will die for them.
3. The third type are those who are purposefully and deceitfully practicing Taqiyya (deceit to assist in the ascendancy of Islam). This is used by Muslims to placate those who would be a threat until they can either over-power them or defeat them from within by infiltrating their society. The leaders of Islam even use this on new Muslim converts to lure them in, and then slowly lead them to stronger and stronger doctrine as they become devout Muslims.

The Religion of The End Time In Islamic Prophecy VS The Bible

There is ample evidence that the Islamic religion will be the false religion of the End Time used the by biblical Antichrist. Here's why:

1. The Islamic/Muslim prophecies are a parallel but opposite mirror of biblical prophecy concerning the End Time. The Muslim good guys are the Bible's bad guys.
2. The Muslim prophecies listed here are found in the Quran and the Sunnah. Some believe Mohammed was possessed by a demon who gave him these parallel prophecies (Mohammed actually said that he feared he was possessed), but it could simply be that he had a copy of the book of Revelation and patterned this all after the Bible so as to look authentic. Personally, I believe he was either possessed or given this information and guided to build the Islamic religion by a demon or the devil himself.
3. Much of the teaching in Islam comes from the Hadith and Sunnah. It's not like the Bible where I can just give you a verse to read. As such, the Islamic prophecies listed are from multiple sources. They all come from the Q'uran, Hadith, Sunnah and other Muslim sources.

Please remember that these Islamic prophecies are not biblical but they show how very deeply the Muslims of the world will be fooled because they mirror so closely what will actually happen, and it will seem as if their prophecies are coming true even though they are supporting the devil and his Antichrist.

Bible And Quran Comparisons

Bible: The Antichrist is an unparalleled political, military, and religious leader that will emerge in the last days. - Dan 8:24-25, Dan 11:40, Rev 13:7-8

- 1. Islam: The Mahdi is an unparalleled political, military, and religious leader that will emerge in the last days.**

Bible: The Antichrist and the False Prophet will execute anyone who does not submit to their world religion. - Rev 13:15

- 8. Islam: Likewise, the Mahdi and the Muslim Jesus will execute anyone who does not submit to Islam.**

Bible: The Antichrist and the False Prophet will specifically use beheading as the primary means of execution for non-conformists. - Rev 20:4

9. Islam: The Mahdi and the Muslim Jesus will use the Islamic practice of beheading for executions.

Bible: The Antichrist and the False Prophet will have a specific agenda to kill as many Jews and Christians as possible. - Rev 13:7, Dan 7:21, Dan 11:30

10. Islam: The Mahdi and the Muslim Jesus hate Jews and Christians and will kill as many as possible until only a few are left hiding behind rocks and trees.

Bible: The Antichrist and the False Prophet will attack to conquer and seize Jerusalem (the battle of Armageddon). - Rev 16:14, Rev 18:19, Ez 38:16

11. Islam: The Mahdi and the Muslim Jesus will attack to reconquer and seize Jerusalem for Islam.

Bible: The Antichrist will set himself up in the Jewish Temple as his seat of authority (the abomination of desolation). - 2 Thess 2:4, Dan 11:45, Dan 9:26-27, Dan 11:31, Dan 12:11, Matt 24:15

Bible: The False Prophet is said to do many miracles to deceive as many as possible into supporting the Antichrist. - Rev 13:13-14

13. Islam: The Mahdi himself is said to control the weather and the crops. His face is said to glow. We can also assume that since Jesus is viewed as having been empowered by Allah to work miracles when He was here on earth the first time, He will most likely be expected to continue to do so when He returns.

Bible: The Antichrist is said to make a peace treaty (with many) with Israel for seven years (the Confirmation of the Covenant). - Dan 9:27

14. Islam: The Mahdi is said to make a peace treaty through a Jew (specifically a Levite) for exactly seven years.

Bible: Jesus the Jewish Messiah will return to defend the Jews in Israel from a military attack from a vast coalition of nations led by the Antichrist and the

False Prophet (the battle of Armageddon). - Rev 19:11-16, Dan 7:9-13 and 22, Dan 2:34, Dan 2:44-45

15. Islam: The Dajjal, the Islamic Antichrist, will gain a great Jewish following and claim to be Jesus Christ and fight against the Mahdi and the Muslim Jesus.

Bible: The antichrist spirit specifically denies the most unique and central doctrines of Christianity, namely the divinity of Jesus, the incarnation of God in the flesh, and the substitutionary death of Jesus on the Cross. - Dan 11:30 - Makes war with the saints as shown in above scriptures - The world today is trying to make Jesus unimportant and deny that He is God Himself.

16. Islam: Islam doctrinally and spiritually specifically denies the most unique and central doctrines of Christianity, namely the divinity of Jesus, the incarnation of God in the flesh, and the substitutionary death of Jesus on the Cross.

Bible: The primary warning of Jesus and the Apostle Paul was to warn Christians of the abundance of deceit and deception in the last days. - Matt 24:24, Matt 24:11, Col 2:8, 2 Cor 11:3, 2 Thessalonians 2:10, 1 Tim 4:1-2, Titus 1:16

17. Islam: Islam is perhaps the only religion on earth that practices deceit as one of its tools to assist its own ascendancy. It actually has a specific doctrine which allows and even calls for deception to be used to achieve its desired end.

Bible: From the Bible and history we learn that the final Antichrist empire will be a revived version of the empire that succeeds the Roman Empire (the iron mingled with clay of Daniel 2). - Dan 2:31-45

18. Islam: The empire that succeeded the Roman Empire was the combined Holy Roman Empire in parallel with the Islamic Ottoman Empire.

Bible: When the Antichrist emerges, a system will already exist poised to receive him as a savior and to give allegiance to him. - From Rev 13 and 17, Dan 11 and events that we know will happen, like the 6th trumpet war, we can see how the Bible shows us this is all being orchestrated right now with the "New World Order" and many other things.

19. Islam: Islam is already the second largest religion and combined with Christianity constitutes over half of the worlds population. Islam awaits the coming of the Mahdi with universal anticipation. The Catholic church and many Christian churches believe that the Muslims will be saved just like Christianity will be, and believe that they worship the same God as Christianity. It's a very short step to convert to Islam if that is believed to be the truth.

Catholics And Muslems

Understanding how the Muslims of the world will be fooled so badly by the False Prophet and the Antichrist becomes even more mind blowing when we understand how the Catholics of the world will also fall into this same trap:

It is incredibly eye-opening to learn that Catholic prophecy bears a very similar mirror of Biblical prophecy, where the Antichrist will be the "Great Monarch" and will be promoted by an "Angelic Pope" and they will fight the real Jesus (believing He is their antichrist) much the same as with Islamic prophecy. Thus, Catholics will be prone to the same exact deception as Muslims and will think it's their prophecy coming to pass when in fact it's the Bible's Antichrist and False Prophet causing the world to worship the Beast which is essentially Satan.

There are thousands of "prophecies" that have come from Catholics over the last 1700 years, and many conflict with each other, but there is a central theme of belief in The Great Monarch (which some believe is the second coming of Apollo), and the last Pope (St Malachy's prophecy of the 112th Pope, who just happens to be the current Pope Francis), and that this last Pope will work with the final emperor (The Great Monarch) to drive apostates out of Islam, Judaism and Christianity to combine all religions into one global religion.

As we've seen with Islamic prophecy, the devil engineered it so closely with Biblical prophecy that it will fool the world into believing it is their prophecy coming to pass when in fact it will be the opposite and will be the Antichrist and False Prophet as told to us in the Bible.

Catholic prophecy mirrors Islamic prophecy of the Muslim Jesus (the final Pope) and the Mahdi (the final emperor) and the Dajjal (the real Jesus) when He returns to destroy the enemies of God.

So, it's a mind blowing revelation to learn how all these things will work together to fool the entire world! Common belief is that this final emperor will appear on the scene at the same time as the final Pope.

Democracy will be seen as a failed system and the world will be ready to accept a socialist monarchy (already happening among the Western World's youth).

A "just war" will take place to drive out the "apostates", which will end up being WW3, the 6th Trumpet War of the Bible, and will kill over 2 billion people.

It is very likely that this war is that which causes the world to feel enough fear to put themselves in the hands of the Antichrist, whom the Bible tells us will obtain his kingdom and power by flatteries, and his brilliance with "a mouth speaking great things", and "by peace" will destroy many.

In the name of peace he will be fighting wars and subduing the world that did not already give him their allegiance. The Bible shows us the Lion, Bear and Leopard (most likely Britain, Russia and Germany) will align with the kingdom of the Antichrist (10 Islamic kings who give him their power), and these combined powers will subdue the remaining nations of the world.

Rome, and the Great Whore (the Vatican) will ride upon this union and the False Prophet will cause the world to worship the Antichrist through miracles done in the sight of men by the power of Satan.

We know from Biblical prophecy that the last ruling "broken, divided" co-empire was and is the Holy Roman / Islamic Ottoman empire, and that it will be the last kingdom ruling when Jesus returns. It is very likely that the Pope will crown the Antichrist (The Great Monarch) as King of the Holy Roman Empire.

Pope Francis has called the world to "get ready for the end time" and appears to believe these Catholic prophecies and may even see himself as the earth's savior and believes himself to be this prophesied Pope.

He is the greatest promoter of Interfaithism and is working very hard to bring the world under a One World Religion, and the New World Order.

He has had Islamic prayer in the Vatican, has been to prayer in Islamic Mosques, and has met with the top Islamic Imam stating that "the meeting itself is the message".

Pope Francis is the "Evangelical Pope" and many Christian churches are following him and going back to their mother (the Great Falling Away). The new Christian church of today is becoming *Chrislam* and fulfilling prophecy by going back to their "mother of harlots".

We are well into, and well on the way to further Biblical fulfillment... Jesus will be coming soon!

We can see that the whole world will be fooled by the false prophet and the Antichrist, including the Muslims and the Catholics! The Muslims will believe it is their Mahdi, while the rest of the world will follow the interfaith movement into believing that being a Muslim is the same as Christianity in that we all worship the same God and therefore will enjoy the same salvation. As stated, the Catholic church has already included Islam as part of God's people and many Christian churches are following this belief. This means that everyone who is fooled by this will think it's perfectly ok to convert to Islam.

Should we hate Muslims because they worship a false god and hate the lord Jesus? *Absolutely not.*

It is our job to try to help those Muslims who think it's a peaceful religion to understand the truth of it. This does not mean we should be ok with a false religion by any means, but that we should talk to any who are willing to listen and help them to understand, if at all possible.

Islam Is Predicted In The Fourth Seal of Revelation

In Revelation 6:1-8 and Zechariah 6:1-8, we're given a warning of the spirits that will be controlling the world in the last days. The pale/green horse of Revelation and the grisled and bay horses of Zechariah tell us about the spirit of Islam.

The pale horse went south and Death sat on him and Hell followed him and he was given power to kill with the sword and hunger and the beasts of the world. The southern hemisphere contains most of the poverty stricken nations. War, crime, revolution, hunger and beasts of the earth are more prominent in the more backward nations of the third world.

But the word "beast" here is the same word used to describe a "king" in other areas of the Bible, so it very likely refers to the fact that many of the "kings"

of the Middle East are killing their own people. The last 100 years have seen more death than the entire history of man (wars, abortions, etc.) The passage in Zechariah splits the pale/green horse in two; into the grisled and bay horses. That makes this prophecy easier to understand in that it has two components: Islam and Death. A very interesting thing about this horse is that the meaning of the original Greek word is interpreted as “pale” in the King James Bible, but the word chloros (khlo-ros’); also means **greenish**, or **pale green**.

This word (chloros) is also used in 3 other places in the Bible: Mark 6:39, Revelation 8:7 and Revelation 9:4. In all three of these other places it was interpreted correctly as **green**. This horse was also given power over the fourth part of the earth. Since we know these horses are spirits, it is very, very interesting that the color of Islam is green (their flags, etc.), and that there are 1.48 billion Muslims (Islam followers) in the world today. That’s almost exactly one fourth of the world population.

This horse went south; and 96.5% of the world’s Muslims are in the southern hemisphere, in Africa and Southern Asia. Can Islam be defined as “Death”? I’ve seen arguments that the terrorists are only the “radicals” and poor Muslims being recruited, but if you look at the history of the men that hijacked the planes on 9/11, they came from middle class and wealthy families. The attacks that are happening everywhere, the suicide bombings, the masses of Muslims chanting, “Death to Israel, death to America”, are not only the poor and radical, it is the mindset of Islam as a whole.

Look at what happened recently in Palestine. They knowingly elected a terrorist organization into their government! And, given what we know about Islam and how it will be used by the Antichrist, the term “death” here may be referring to the “second death” of Revelation where those that are not saved come before God on judgment day.

10 Reasons Islam Is Not From God

By Ney Reiber In The Web Article Islam: Truth or Myth?

This religion has nothing to do with God. It is contrived by men to further their own agendas. It is politically based to dominate the world. (Rev. JM)

Islam cannot be from God because the prophet of Islam, Muhammad, did not pass God's first test for a prophet.

Reason #1: Deuteronomy 18:21-22 tells us that God will authenticate those He sends as a prophet by having them perform signs. Muhammad gave no sign as required by God.

(Deuteronomy 18:21,22, NAS95) 21 "You may say in your heart, 'How will we know the word which the LORD has not spoken?' 22 "When a prophet speaks in the name of the LORD, if the thing does not come about or come true, that is the thing which the LORD has not spoken. The prophet has spoken it presumptuously; you shall not be afraid of him.

Islam cannot be from God because Muhammad's teaching does not pass the second test God gave for a prophet.

Reason #2: Deuteronomy 13:1-4 tells us that no prophet will bring a revelation that is in conflict with previous revelation. His revelation must agree with the previous revelation of God. Deuteronomy 13:1-4

Deuteronomy 13:1-4, 1 If there arise among you a prophet, or a dreamer of dreams, and giveth thee a sign or a wonder, 2 And the sign or the wonder come to pass, whereof he spake unto thee, saying, Let us go after other gods, which thou hast not known, and let us serve them; 3 Thou shalt not hearken unto the words of that prophet, or that dreamer of dreams: for the LORD your God proveth you, to know whether ye love the LORD your God with all your heart and with all your soul. 4 Ye shall walk after the LORD your God, and fear him, and keep his commandments, and obey his voice, and ye shall serve him, and cleave unto him.

Islam cannot be from God because it denies the Godhood of Jesus. In the Qur'an, Muhammad takes great pains to deny the deity of Jesus. It demeans Jesus and makes him just a man. In Philippians, Paul asserts that Jesus existed in the form of God.

Reason #3:

(Philippians 2:5-9, NAS95) 5 Have this attitude in yourselves which was also in Christ Jesus, 6 who, although He existed in the form of God, did not regard

equality with God a thing to be grasped, 7 but emptied Himself, taking the form of a bond-servant, and being made in the likeness of men. 8 Being found in appearance as a man, He humbled Himself by becoming obedient to the point of death, even death on a cross. 9 For this reason also, God highly exalted Him, and bestowed on Him the name, which is above every name,

Reason #5: Islam cannot be from God because its appeal is to man's lower nature rather than his higher nature. Compare the Biblical appeal of heaven to the Quranic appeal of heaven.

The Biblical Appeal

Matthew 5:10-12, 10. Blessed are they, which are persecuted for righteousness' sake: for theirs is the kingdom of heaven. 11 Blessed are ye, when men shall revile you, and persecute you, and shall say all manner of evil against you falsely, for my sake. 12 Rejoice, and be exceeding glad: for great is your reward in heaven: for so persecuted they the prophets which were before you.

Peter 1:3-4, 3. Blessed be the God and Father of our Lord Jesus Christ, which according to his abundant mercy hath begotten us again unto a lively hope by the resurrection of Jesus Christ from the dead, 4 To an inheritance incorruptible, and undefiled, and that fadeth not away, reserved in heaven for you,

Mark 12:24-25, 24 And Jesus answering said unto them, Do ye not therefore err, because ye know not the scriptures, neither the power of God? 25 For when they shall rise from the dead, they neither marry, nor are given in marriage; but are as the angels, which are in heaven.

Revelation 7:9-17, 9. After this I beheld, and, lo, a great multitude, which no man could number, of all nations, and kindreds, and people, and tongues, stood before the throne, and before the Lamb, clothed with white robes, and palms in their hands; 10 And cried with a loud voice, saying, Salvation to our God which sitteth upon the throne, and unto the Lamb. 11 And all the angels stood round about the throne, and about the elders and the four beasts, and fell before the throne on their faces, and worshipped God, 12 Saying, Amen: Blessing, and glory, and wisdom, and thanksgiving, and honour, and power, and might, be unto our God for ever and ever. Amen. 13 And one of the elders answered,

saying unto me, What are these which are arrayed in white robes? and whence came they?

14 And I said unto him, Sir, thou knowest. And he said to me, These are they which came out of great tribulation, and have washed their robes, and made them white in the blood of the Lamb. 15 Therefore are they before the throne of God, and serve him day and night in his temple: and he that sitteth on the throne shall dwell among them. 16 They shall hunger no more, neither thirst any more; neither shall the sun light on them, nor any heat. 17 For the Lamb which is in the midst of the throne shall feed them, and shall lead them unto living fountains of waters: and God shall wipe away all tears from their eyes.

Reason #6: Islam cannot be from God because its morality is inferior to the morality taught by the New Testament. In examining the contradictions between the Bible and the Qur'an, we encountered Jesus' teaching that we were to love and pray for our enemies while the Qur'an says to fight and kill your enemies. There is a tremendous gap in the standard of morality between the two standards. Which is more likely to be from God, the high standard of morality, or the low standard of morality?

Reason #7: Islam cannot be from God because it is based upon a document, the Qur'an, made after God said revelation was finished.

Paul said that revelation would come to an end: **1 Corinthians 13:8**, Charity never faileth: but whether there be prophecies, they shall fail; whether there be tongues, they shall cease; whether there be knowledge, it shall vanish away.

Jude 3 tells us that the faith was fully delivered: Jude 3, Beloved, when I gave all diligence to write unto you of the common salvation, it was needful for me to write unto you, and exhort you that ye should earnestly contend for the faith which was once delivered unto the saints.

Peter said that every thing that was necessary for man to be pleasing to God had been revealed. **2 Peter 1:3**, According as his divine power hath given unto us all

things that pertain unto life and godliness, through the knowledge of him that hath called us to glory and virtue:

Reason #8: Islam cannot be from God because it is based upon the Qur'an, which has internal contradictions. Any revelation from God will be consistent within itself. It will not contain internal contradictions. Since the Qur'an does contain internal contradictions, it cannot be from God, and any religion that is based upon it is not from God.

Reason #9: Islam cannot be from God because the Qur'an frequently contradicts the Bible.

Reason #10: Islam cannot be from God because it denies the crucifixion of Jesus.

The central figure of the New Testament is Jesus. From his temptations in the desert to the resurrection, the focus of Jesus is his death on the cross to provide a sacrifice for mankind's sin. The Qur'an denies that Jesus died on the cross and that would then preclude his resurrection. It is the contention of Islam that God took Jesus into heaven and transformed Judas to look like Jesus. They teach that it was actually Judas who died on the cross.

The Bible Clearly And Plainly Teaches That Jesus Was Crucified On The Cross

Matthew 27:35, 35 And they crucified him, and parted his garments, casting lots: that it might be fulfilled which was spoken by the prophet, they parted my garments among them, and upon my vesture did they cast lots.

1 Corinthians 1:23 But we preach Christ crucified, unto the Jews a stumbling block, and unto the Greeks foolishness.

Pope Francis Washes The Feet of Muslim Migrants, Says We Are ‘Children of The Same God’

Excerpts From Elahe Izadi’s New York Times Article

Shortly after Francis became pope in 2013, he washed the feet of Muslims. "All of us together, Muslims, Hindus, Catholics, Copts, Evangelical Protestants brothers and sisters — children of the same God — we want to live in peace, integrated," Francis said during his homily.

"You, we, all of us together, of different religions, different cultures, but children of the same Father, brothers — and there, those poor people, who buy weapons to wreck fraternity," Francis said Thursday. "Today, at this time, when I do the same act of Jesus washing the feet of twelve of you, let us all make a gesture of brotherhood, and let us all say: 'We are different, we are different, we have different cultures and religions, but we are brothers and we want to live in peace.'"

The Vatican said eight men and four women took part in the ritual, AP reported, including an Italian Catholic; three Eritrean Coptic Christians; four Catholics from Nigeria; three Muslims from Mali, Syria and Pakistan; and a Hindu man from India.

We are not all children of the same god. We have already seen where Allah was one of many gods the was chosen to be the true god by Mohamid. He was the moon god not the God of Abraham, Isaac and Jacob.

Holy War of Islam

- The Arabic word "jihad" is often translated as "holy war," but in a purely linguistic sense, the word "jihad" means struggling or striving.
- The Arabic word for war is: "al-harb".
- In a religious sense, as described by the Quran and teachings of the Prophet Muhammad (s), "jihad" has many meanings. It can refer to internal as well as external efforts to be a good Muslims or believer, as well as working to inform people about the faith of Islam.

- The concept of jihad has been hijacked by many political and religious groups over the ages in a bid to justify various forms of violence. In most cases, Islamic splinter groups invoked jihad to fight against the established Islamic order. Scholars say this misuse of jihad contradicts Islam. (Excerpts from the Islamic Supreme Council of America)

Jihad today has been radicalised and is pure terrorism enacted upon innocent people. It is cold-blooded murder. Its focus is revenge and world domination.

The Five Pillars of Islam

By Gregory M. Davis author, *Religion of Peace?*
Islam's War Against The World

The five pillars of Islam constitute the most basic tenets of the religion. They are:

1.) Faith (iman) in the oneness of Allah and the finality of the prophethood of Muhammad (indicated by the declaration [the Shahadah] that, “There is no God but Allah and Muhammad is the messenger of Allah”). 2.) Keeping of the five scheduled daily prayers (salah). 3.) Almsgiving (zakat). 4.) Fasting (sawm). 5.) Pilgrimage (hajj) to Mecca for those who are able.

The five pillars in and of themselves do not tell us a lot about the faith or what a Muslim is supposed to believe or how he should act. The second through fifth pillars — prayer, almsgiving, fasting, pilgrimage — are aspects shared by many religions. The finality of the prophethood of Muhammad, however, is unique to Islam. To understand Islam and what it means to be a Muslim, we must come to understand Muhammad as well as the revelations given through him by Allah, which make up the Quran. Anything But jihad

By Carol Brown, *The American Thinker*

The underlying truth is that Islam is totalitarianism that mandates the destruction of all things not Islamic as written in the Quran, the Sunnah, and the Hadith. That's pretty much it. It's all you need to know. From this basic premise of world domination, all else flows. It explains the most heinous acts of violence perpetuated by Islamic terrorists, the most subtle form of creeping sharia that advances the caliphate by stealth means and everything in between.

Islam demands that Islam rule over everyone. And for Islam to rule, non-believers are given three choices: (1) convert, (2) pay the jizya tax and live as second-class citizens, or (3) die. This is how it's been for nearly 1,500 years. Yet it would appear that a 1,500-year history of darkness, death, and destruction in the name of Allah is not enough evidence for the West to grasp what drives the enemy we're facing.

So desperate are we to avoid facing the awful truth that a seemingly endless stream of insane things are spewed out on a near daily basis to convince us that the truth is anything but what it is. Case in point: our government asserting that recent terror attacks are a sign we are winning the war against ISIS.

(And as an aside, the war isn't, or at least shouldn't be, specifically against ISIS any more than their war against us is against people who live in certain ZIP codes. ISIS, Hezb'allah, Hamas, al-Qaeda, Boko Haram, the Muslim Brotherhood, and on and on all represent the same thing: Islam.)

We're not winning the war against Islamic totalitarianism. We're losing. Willfully, it seems. Our commitment to losing cuts across a broad spectrum, from political elites to academics to the media.

As to the last group's coverage of the terror attack in Nice, they could have reported on how ISIS and other Islamic terror organizations urge Muslims to use vehicles to kill, a reality Israelis have been coping with for a long time.

(Palestinians routinely run over Jews with cars while ISIS reminds them to "remember that our war with the Jews is a war between belief and unbelief, so continue your battle and use all permissible means of fighting them – stab them, run them over with cars.")

MEMRI further reported on the jihadist magazine, Inspire, and its detailed directions for how Muslims should use vehicles to maim and murder, excerpting from an article in the magazine titled "The Ultimate Mowing Machine" (excerpt reprinted below):

The idea is to use a pickup truck as a mowing machine, not to mow grass but mow down the enemies of Allah. You would need a 4WD pickup truck. The stronger the better. You would then need to weld on steel blades on the front end of the truck. These could be a set of butcher blades or thick sheets of steel. They do not need to be extra sharp because with the speed of the truck at the time of impact, even a blunter edge would slice through bone very easily. You may raise the level of the blades as high as the headlights. That would make the blades strike your targets at the torso level or higher.

Pick your location and timing carefully. Go for the most crowded locations. Narrower spots are also better because it gives less chance for the people to run away. Avoid locations where other vehicles may intercept you.

To achieve maximum carnage, you need to pick up as much speed as you can while still retaining good control of your vehicle in order to maximize your inertia and be able to strike as many people as possible in your first run. Keep in mind that as soon as people realize what you are up to, they would scatter and run in every direction looking for cover. They would look for areas where the vehicle cannot reach them.

Therefore, it is important to study your path of operation before hand. The ideal location is a place where there are a maximum number of pedestrians and the least number of vehicles. In fact if you can get through to 'pedestrian only' locations that exist in some downtown (city center) areas, that would be fabulous. There are some places that are closed down for vehicles at certain times due to the swarms of people. If you have access to firearms, carry them with you so that you may use them to finish off your work if your vehicle gets grounded during the attack.

After such an attack, we believe it would be very difficult to get away safely and without being recognized. Hence, it should be considered a martyrdom operation. It's a one-way road. You keep on fighting until you achieve martyrdom. You start out your day in this world, and by the end of it, you are with Allah. This idea could be implemented in countries like Israel, the U.S., Britain, Canada, Australia, France, Germany, Denmark, Holland and other countries where the government and public sentiment is in support of the Israeli occupation of Palestine, the American invasion of Afghanistan and Iraq or countries that had a prominent role in the defamation of Muhammed...
"

So let's speak the truth. The terror attack in Nice in July of 2016 was not road rage perpetrated by a garden-variety criminal. It was jihad. It was Islamic terror. It was evil sanctioned by Allah and the teachings of Mohammed.

And let's not make a big issue of the fact that the jihadist's name was not on any terror watch list (not that these lists are even very effective, but that's a topic for another day). The watch list is anyone and everyone who embrace the teachings of the Quran.

Conclusion

Islam doesn't seem to be a religion of peace. What ever it is, it is not built on a solid foundation. It is a false religion and a snare of the devil to all who follow its teachings. I say this with a saddened heart because it has over 1.6 billion people that are deceived and captured by Satan. Their ultimate end is the Lake of Fire.

Allah is not Jehovah. He is rather a moon god that was worshiped long ago. He was 1st known as Baal, long before Mohamed. His identity has been contrived by false prophets and deceivers that seek to destroy the reality of the true and living God.

My suggestions are to avoid them at all cost and arm yourself to protect you and your family against their terror attacks because they will be more frequent and deadly in the years to come. They seek war by violence and strive for social change that brings about their own philosophy.

On a more positive note, Jesus is coming soon. We can hope and pray He will arrive before Islam takes over our world. Look to Jesus, He is compassionate, Mighty in Battle and Loving. He will direct your paths and keep you from harm.

God Bless You Always
